Providing First Class Services For Your Organization

Set Your Goals... We'll Help You Achieve Them!

Our Vision

FV Educational Services provides a clear communication system designed to empower and supplement work being done in the classrooms.

- ✓ **Excellence**
- ✓ **Professionalism**
- ✓ **Integrity**
- ✓ **Commitment**
- ✓ **Best Practice**

"We create and manage your website and on-line solutions to showcase your accomplishments, goals and objectives."

FV Educational Services Ltd

Educational Services

✓ **School Websites**

- ✓ **News and Announcements**
- ✓ **Web Forms**
- ✓ **On-line Assignments**
- ✓ **Fully Responsive Layouts**
- ✓ **And Much Much More....**

We create and develop content based websites and applications that will market and highlight your school.

✓ **E-Learning**

- ✓ **Virtual Learning Environment (VLE)**
- ✓ **Online Lectures/Remote Participation**
- ✓ **Lecture Capture**

Additional Offerings

✓ **Learning Management System (LMS)**
Awesome features for creating on-line courses, teacher profiles, extended user profiles, lesson management, quiz system, video hosting, ranking system, question system, attachments, course progress, etc..

✓ **Social Media** - Connect with present and prospective students through social media marketing to develop relationships with them that last.

✓ **Print Services** - We're here to help with all your printing needs - whether it is needed in the classroom, halls, offices or athletic fields.

✓ **Management Information Systems** - Web-based student information system with features including student record management, attendance logging, grade books, and timetabling.

✓ **School Surveys** - Use surveys to improve programs, processes, and overall achievements. Understand your students, teachers, parents and administrators satisfaction and feedback.

"Our customers are number. Integrity, passion and commitment is at the heart of everything we do."
